Importance: High

John

This version reflects all proposed changes, including some today. Please especially review the designation of key products and outputs. Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Themes 2 and 3 were finalized previously with the one exception of moving a task from Theme 4. Annette has agreed to this.

David/Mary/Lyle and Andrew:

- All changes incorporated (thus, less blue!).
- RED indicates some tweaks to wording
- NOTE: Task to produce manuscript on use of epigenetics MOVED to Theme 3.

Vince/Gina and Joe/Sue/Maureen:

Other than the #'s for the IRIS products per your plan, also need updated language from Maureen and Sue on the web updates to highlight.

Thanks everyone! I believe that John will need to finalize on Monday.

Until then....

Annie
